The People's Republic Of The Upper West Side

Manhattan's **Upper West Side** is famously eclectic, known for its liberal politics, Lincoln Center, views of Central Park, and the best bagels! Dense with one of the most diverse housing stocks in New York, the Upper West Side is bordered by Central Park

to the east, the Hudson River to the west, 110th St. to the north, and 59th St. to the south. Residence styles include older walk-ups, next to family-size brick apartment houses, next to much coveted co-op buildings known for their strict approval processes and

all cash requirements. To find your new home in this diverse and friendly neighborhood, contact Elaine Wong, New York Living Solutions, at ewong@nlys.net, 203-947-1288, for a personal or group presentation in your home or office.
